CAFITESSE
MORE THAN GREAT COFFEE

WE LOVE CAFITESSE

Cafitesse offers much more than just great coffee. We offer **great taste** with our rich assortment of perfectly balanced blends. We offer a **great experience**, tailored to meet everyone's needs and **great convenience** with the unique combination of our brewing method and closed coffee system. We also offer **great business sense** with smart overall savings, while guaranteeing consistently high quality coffee.

WE LOVE GREAT COFFEE

For our well-balanced portfolio of Cafitesse blends, we have carefully blended and roasted a selection of Arabica and Robusta beans to create a rich assortment which offers you great taste.

CONSUMERS LOVE OUR BLEND PORTFOLIO AND GREAT COFFEE

Our blends have achieved great test results and satisfy the taste preferences of our consumers. Find the perfect blend for your favorite coffee.

Smooth Roast
Intensity 3

An easy-to-drink, smooth and silky blend. Ideal for those who prefer a mild-tasting coffee, it's best enjoyed black or with small quantities of milk. Uniquely, Smooth Roast can be stored at ambient temperature, so does not take up freezer capacity.

Decaf Roast
Intensity 5

All the flavor but without the caffeine, this 100% Arabica blend delivers a delicate balanced coffee with a subtle acidity and light malty character.

Special Roast
Intensity 5

Special is a coffee blend with a mild, slightly spicy sweetish taste. It is a combination of high quality Robusta coffee and chicory.

Delicate Roast

Intensity 6

A vividly fresh coffee with soft citrus tones. This elegant blend is ideal for those who prefer their coffee black or with small quantities of milk.

Rich & Fruity

Golden Roast

Intensity 7

For those who want coffee that's both sustainable and organic, Golden Roast is a distinctively delicate 100% Arabica blend that sings with summery flavors. Vividly fresh and fruity with rich aromas, it's ideal for those who prefer their coffee black.

Rich & Fruity

Medium Roast

Intensity 5

A pure and round coffee with exciting soft roasty notes in the background, making this coffee enjoyable in a wide range of drink preparations. Ideal for those who like to enjoy a well-rounded coffee or a harmonious Cappuccino, Latte or Latte Macchiato.

Medium

Strong Roast

Intensity 9

A strong, full-bodied coffee with a smoky, bittersweet character enriched with spicy nuances. This bold, intensely flavored espresso-type blend is ideal for rich, milky drinks such as Cappuccino or Latte.

Dark

Classic Roast

Intensity 5

Consisting of 100% UTZ certified beans, Classic Roast is a balanced, well-rounded blend with medium-intense, softly sweet flavors tempered with a lightly bittersweet aftertaste. Comfortably enjoyable in a wide range of drink preparations, this classic-tasting blend is a crowd-pleaser which works well both with and without milk.

Medium

Intense Roast

Intensity 8

A strong, aromatic, full-bodied, 100% Arabica coffee that exudes well-roasted chocolaty flavours enriched with warm dark fudge. Perfectly tailored for lovers of both strong black coffee with a soft sweet espresso character and those who enjoy rich, milky Cappuccino or Latte.
