# HÜLSHORST FEINKOST

FAMILY TRADITION CHARACTERISED BY QUALITY

### Home-cooking – popular around the world

Traditional home cooking, inspired by regional cuisine, including tasty burgers, succulent schnitzel and hearty roasts is the speciality of our convenience food experts in Westphalia. Plus HÜLSHORST FEINKOST has also mastered international cuisines, with Swedish meatballs, taco beef, cevapcici or lamb Salisbury steaks.

### Cooking that saves time and energy

Plan your menus precisely with a wide and varied range of products: with HÜLSHORST you can go easy on the budget and still impress your customers. From an expertly cut roast to ready-fried minced meat: everything is deep-frozen, easy to store, quick to reconstitute and effortless to portion out.

HÜLSHORST products give you the planning security that your customers also expect from you. You can rely on our top quality meat that has been superbly processed! What's more, many of our products don't contain additives. We also refrain from using flavour enhancers, etc. Look out for our quality seal!

**Excellent meat and fresh ingredients – we use these to make the very best deep-frozen products. Simply ideal for bulk consumer and system catering. Perfect for children, adults and senior citizens. How it should taste – like homemade. That's our aim.**

### Quality based on tradition

We have been passionate about meat for 30 years. Management expert Christoph Hülshorst and master butcher Philipp Hülshorst are the third generation to manage our constantly growing, quality-oriented business. We feel responsible to tradition and to our location in the heart of Westphalia. Just like back in the day, when Hubert Hülshorst founded our fine foods business after his time working in his parents' abattoir.

### Dedicated to sustainability

We are committed to our customers as well as to the environment. Thanks to continual investment in cutting-edge technology, our production is sensitive to the environment, we use resources responsibly and are open to new developments. HÜLSHORST FEINKOST has always been careful in its use of electricity, water and heat.
